

PRIVACY POLICY REGARDING PROCESSING OF PERSONAL DATA CONTAINED IN THE CONTACT FORM

We hereby inform you that the data you shall supply the manager when filling in the form of the “Contact us” section of the website itself, shall be processed in full compliance with the provisions of the European Regulation n° 679/2016 “GDPR” on protection of personal data.

1. CONTROLLER

The Controller shall be Elettronica GF S.r.l., with headquarters in Faenza (Ravenna), Via Vittori n° 63 – contact details: privacy@elettronicagf.it

2. PURPOSE OF PERSONAL DATA PROCESSING

The data you supply shall be processed only to reply to the requests we receive

3. LEGAL BASIS

The legal basis for data processing are therefore represented by pre-contractual needs you expressed by sending the query.

4. TYPE OF TRANSFER

Sending your data is optional, but if we do not receive it we shall not be able to reply to your queries.

5. TYPES OF RECIPIENTS

Your data may be made available to companies in charge of technological maintenance, each nominated as Processor and shall be processed by internal staff explicitly dedicated to this.

6. STORAGE

The data you send shall be kept for the time necessary to supply you the required answer.

7. RIGHTS OF THE DATA SUBJECT

At any given moment the data subject can exercise his/her rights set forth by articles 15-21 of regulation 679/16, namely to access his/her personal data, ask for any corrections, cancellation, limitations and entirely object to their processing by writing to the address: privacy@elettronicagf.it.

In addition, data subject can file a complaint with the Authority for the protection of personal data or with another Authority regarding the processing of these.
