

This page describes the procedures to manage the data related to the candidacies received through the form at the website in the section [“Work with us”](#). This privacy policy is made to comply with art. 13 of the General Regulations on data protection 16/679, hereinafter, in short, “GDPR”.

Controller

Controller is the company ELETTRONICA GF S.R.L. in via Vittori n° 63, 48018 Faenza (Ravenna) – contact data: privacy@elettronicagf.it

Legal basis

Your personal data shall be collected and used based on your free choice to input your curriculum vitae in our portal and therefore upon a contractual or pre-contractual requirement or legitimate interest of the controller.

Purpose

The personal data collected shall be used to select staff for the jobs available at our company.

Sources and categories of the data processed

The data processed can come directly from the contact form at the website, these are personal data contained inside the curriculum vitae spontaneously sent by the data subject.

Recipients of the processed data

The personal data collected shall be exclusively used by staff inside the company entrusted to selected employees for open jobs and shall not be communicated nor disclosed externally.

Data storage period

The curriculum vitae and the personal data in it shall be stored for the time strictly necessary to select the employees required and eventually stored in the company database for maximum 1 year.

Type of data transfer

The transfer of data is optional, but your actual refusal to communicate such data will make it impossible or shall grant less useful elements to assess and actually select your profile by ELETTRONICA GF S.R.L.

Rights of the data subjects

At any given moment data subjects can exercise the rights set forth by articles 15-21 of the EU Regulation 679/16, namely: access his/her personal data, ask for any corrections, cancellation, limitations and entirely or partially object to their processing by contacting the Controller.

To exercise these rights you can write to ELETTRONICA GF S.R.L., via Vittori n° 63, 48018 Faenza (Ravenna), or send an email to the address: privacy@elettronicagf.it

Lodging a complaint: the data subjects who believe that the processing of their personal data made through this website is in violation with what is prescribed by the Regulations, shall have the right to lodge a complaint with the Authority as prescribed by art. 77 of the Regulations or to contact the suitable courts (art. 79 of the Regulations).
